**The STR Sequencing Project (human)**  
 Umbrella project  
 National Institute of Standards and Technology  
 Accession: PRJNA380127 ID: 380127

Currently over 2000 records submitted with more to come

**STRSeq Commonly Used Autosomal STR Loci**  
 Umbrella project  
 National Institute of Standards and Technology  
 Accession: PRJNA380345 ID: 380345

**STRSeq X-Chromosomal STR Loci**  
 Umbrella project  
 National Institute of Standards and Technology  
 Accession: PRJNA380348 ID: 380348

**STRSeq Alternate Autosomal STR Loci**  
 Umbrella project  
 National Institute of Standards and Technology  
 Accession: PRJNA380346 ID: 380346

**STRSeq Y-Chromosomal STR Loci**  
 Umbrella project  
 National Institute of Standards and Technology  
 Accession: PRJNA380347 ID: 380347
